**Request for Continue Partnership and Support to School(s):**

Dear Sir/Madam,

The Ane Osiobe International Foundation is a Non-Profit Organization, registered under the Nigerian Corporate Affairs Commission (CAC/IT/No. 83828). The focus of our NGO is to provide a program that spreads the gift of hope in our country by helping kids who have potential, with opportunities that level the playing field. In the past, the Ane Osiobe International Foundation has supported schools in the FCT area such as Lugbe L.E.A primaries, Gwagwalada special needs schools, Jabi Special needs schools, and Lugbe senior secondary school with back to school materials and school uniforms.

We help them meet their goals and provide them with positive experiences. Helping people is an essential part of what we do. The goal is to help them gain an understanding of themselves while learning how they can develop their skills.

Below are some of our future events that your endorsement will be appreciated.

If our application is granted, The Ane Osiobe International Foundation will visit the stated schools on the stated dates. Our events, usually last for 30 mins – 45 mins, in other not to interrupt the students' ongoing academic activities. During the events, the foundation will be distributing back to school materials (books, pen, pencils, calculator, mats-sets, etc.). Our outreach will also advise and show the students how to apply for the foundation's scholarship through the foundation website ([www.aneosiobe.ngo](http://www.aneosiobe.ngo)) as that is the mean focus of our education department.

All our operation(s) are carried out ethically, and we treat all human beings with dignity and respect by the 1948 declaration of human rights. We would be grateful if the office of the Secondary Education Board would endorse/approve our activities for the years 2019 – 2034. We also wish to invite you to attend this special outing through this letter.

From Ane Osiobe International Foundation,

God Bless!!!
